

MDSD Optimist District 33 Fall Meeting 2011

Welcome to the First Quarter District Meeting November 4 & 5 in Solomons, MD. I hope you are enjoying yourselves, increasing your knowledge of Optimism and enhancing friendships. Our district is a wealth of information. Please participate in the training, fellowship and hospitality. We have a lot to offer our youth in Maryland and South Delaware and I am proud of all your accomplishments in the International projects your clubs adopt plus the individualized ones sponsored for the identified needs of your communities.

Happy Thanksgiving

Please welcome Sandy Cyphers, our OI VP this weekend. We are happy to have her with us for training.
