**This year's cost per student attending the VIRTUAL MD Seminar total is about \$270. HOBY International in CA still requires a \$225 School Registration Fee. In MD, about half the schools (or the parent) can afford to pay the registration fee. No donation is too small or too large.**

**HOBY MD 2021 is financially stable and can support some areas not covered by community service organizations and personal donations because our 2020 supporters were so helpful last year.**

**Our Club will help students from our community attend the virtual seminar by:**

Donating \$\_\_\_\_\_ towards the sponsorship of students to the seminar.

**NEW: Virtual Seminar**

\*Every attempt will be made to use your donation to support the schools that you have listed. However, in the event that your local schools were able to cover their registration fee, have been sponsored by another local business or organization, or did not register to attend, your donation will be used to support the next closest school to your community. All donations **WILL** be used to support students in our District.
